Re: Colyton High School uniform pricing adjustment

Dear Parents and Caregivers,

I would like to take the opportunity to thank our uniform supplier, Daylight Schoolwear, for working in conjunction with the school, staff, and Student Voice Leader to develop and assist in selling the updated design of uniforms for Colyton High School since September last year.

To encourage more students to wear uniforms with pride, we have worked with Daylight Schoolwear to offer students to purchase the uniforms at lower subsidised pricing and not applied the full retail price to our parents/caregivers. It's been a great pleasure seeing so many students embracing and wearing the new uniforms with pride throughout the school and into the wider community.

However, we are not able to continue this initiative to sell our uniforms at the subsidised pricing moving forward and Daylight Schoolwear will revert to the full retail pricing as at Term 2 2024.

The Uniform Shop is located within our school. You can order by simply downloading an order form from the school website and bring it to the Uniform Shop - [Uniform shop order form \(PDF 152 KB\)](#) or online ordering available at <https://daylightschoolwear.com/colyton>

Thank you also to parents/caregiver that have supported this school initiative to get as many students as possible to embrace and take pride in wearing our school uniform.

Yours sincerely,

Mr Daryl Butler

Principal
